

天気記号と記入型式

気象庁

予報部 通報課 昭和57年1月

現在天気

Main table of weather symbols and codes. Columns include symbols for various weather conditions (e.g., clear, cloudy, rain, snow, fog), their corresponding codes (e.g., 00, 01, 02), and their input forms (e.g., 00, 01, 02). The table is organized into sections for '現在天気' (Current Weather) and '予報天気' (Forecast Weather).

通報型式

FM2-W SYNOP-地上気象通報式 FM3-W SHIP-海上気象通報式

記入型式

Technical specifications and code lists for the weather reporting forms. It includes details for FM2-W SYNOP and FM3-W SHIP, and lists of codes for various weather symbols used in the reporting forms.

Diagram showing the layout of the reporting form, including fields for station identification, time, and weather codes. It includes symbols for station type and time zone.
